

Homework Assignment: Survey Method

The goal of the activity: Students will develop a survey on a social issue they care about.

Directions: On your own, work on creating a short survey. Before you write your questions, think of a topic or social issue you care about.

1. Create a minimum of five questions.
2. Then, mention what tool/platform you would use to conduct your survey (phone/mail/internet, or other)

Topic:	(Write down your topic here)
Question 1	
Question 2	
Question 3	
Question 4	
Question 5	
The tool you are using to conduct your survey
